Be my doll, be my baby doll

G/// G/// G/// G///

Come get to know me like the back of your hand

G/// G/// G/// G///

I like the name hanging out in shade

G/// G/// G/// G///

I like the way you do the push and the shove

G/// G/// G/// G///

You can blow my mind if you're that way inclined

All that I know is that you fell from above

And if you feel the need

D/// D///

I'll send you God's speed

C/// C/// G/// G///

To me you're hangin' at the break of the dawn (Woo-hoohoooooo)

Do your thang on the beat of the bang

G/// G/// G/// G///

I'll put a melody inside of your head

G/// G/// G/// G///

No need to shout, what you bitchin' about?

G/// G/// G/// G///

I think those things are better left unsaid

G/// G/// G/// G///

She had a look you won't find in a book

G/// G/// G/// G///

And she smiles like 196----9

G/// G/// G/// G///

You could blow my mind if you're that way inclined
